Introduction

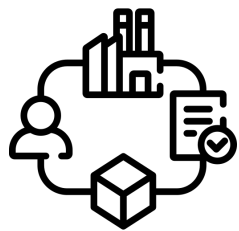

WHO ARE WE AND WHAT DO WE DO?

- Honorable **Health Minister Sri Dinesh Gundu Rao.**
- I am honored to present our Ortho implants proposal to contribute in healthcare transformation of Karnataka.
- **The launch of the first ortho implants project in Karnataka will mark a significant milestone in India's healthcare sector.**
- We believe in the power of collaboration and innovation to drive positive change in the healthcare sector.
- Our goal is to contribute towards the vision of a healthier Karnataka by delivering high-quality ortho implants and healthcare products to all the government institutions, hospitals and to the entire healthcare industry in Karnataka.
- With a proven track record of exceptional deliveries and successful participation in numerous tenders within Karnataka, we stand ready to undertake various upcoming significant tender projects that will positively impact the healthcare sector across Karnataka.

WHO ARE WE AND WHAT DO WE DO?

- Authorized channel partners for **Ortho-implants** with **AO Certified Products**.
- Capable of supplying products to any Hospitals all over **Karnataka**.
- Wide portfolio of medical products and equipment.
- Strong Distribution network ensuring **timely delivery of goods**.

Strong Distribution network

Wide portfolio

AO Certified Products.

- Presence of civil and medical infrastructure, but **lack of supply chain for orthopedic implants.**
- Most cases are redirected to **private hospitals** due to the above said reason.
- Price points raise from Government hospitals to privately owned hospitals, making it not accessible to all the classes of the society.
- **Lack of availability of Ortho Implants Instrument kits in Government Hospitals**

Lack of Proper
Supply Chain

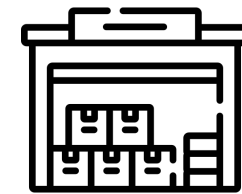

Govt

Private

Cases moves from Govt To Private Hospitals

Lack of availability of
Ortho Implants Instrument kits

- **Tibia Instrument set**
 - Universal Tibia Nail
- **Femur Instruments set**
 - Universal Femur Nails.
- **Total Knee Replacement Set**
 - Knee Replacement Kit
- **DCP and LC-DCP Systems.**
- **Hip Prosthesis**
 - Implants and Instruments
- **Bipolar Hip Prosthesis Implant**
- **Elastic Nails**
- **Spine**

ORTHO-IMPLANTS

- Most efficient proposal to provide Ortho-implants to the common people
- Common people can get there Ortho-implants done in Govt Hospitals instead of going to Private Hospital and paying higher fees.
- Quick and Easy delivery of kits on priority basis.
- After completion of the project, the further products used for **Ortho surgery**, purchased will be covered under **AYUSHMAN BHARAT - PRADHAN MANTRI JAN AROGYA YOJANA**, it will reduce the burden for government hospitals in future.
- Continuous services of Ortho-surgery to Govt Hospitals
- International Standard Products

AO Certified Products

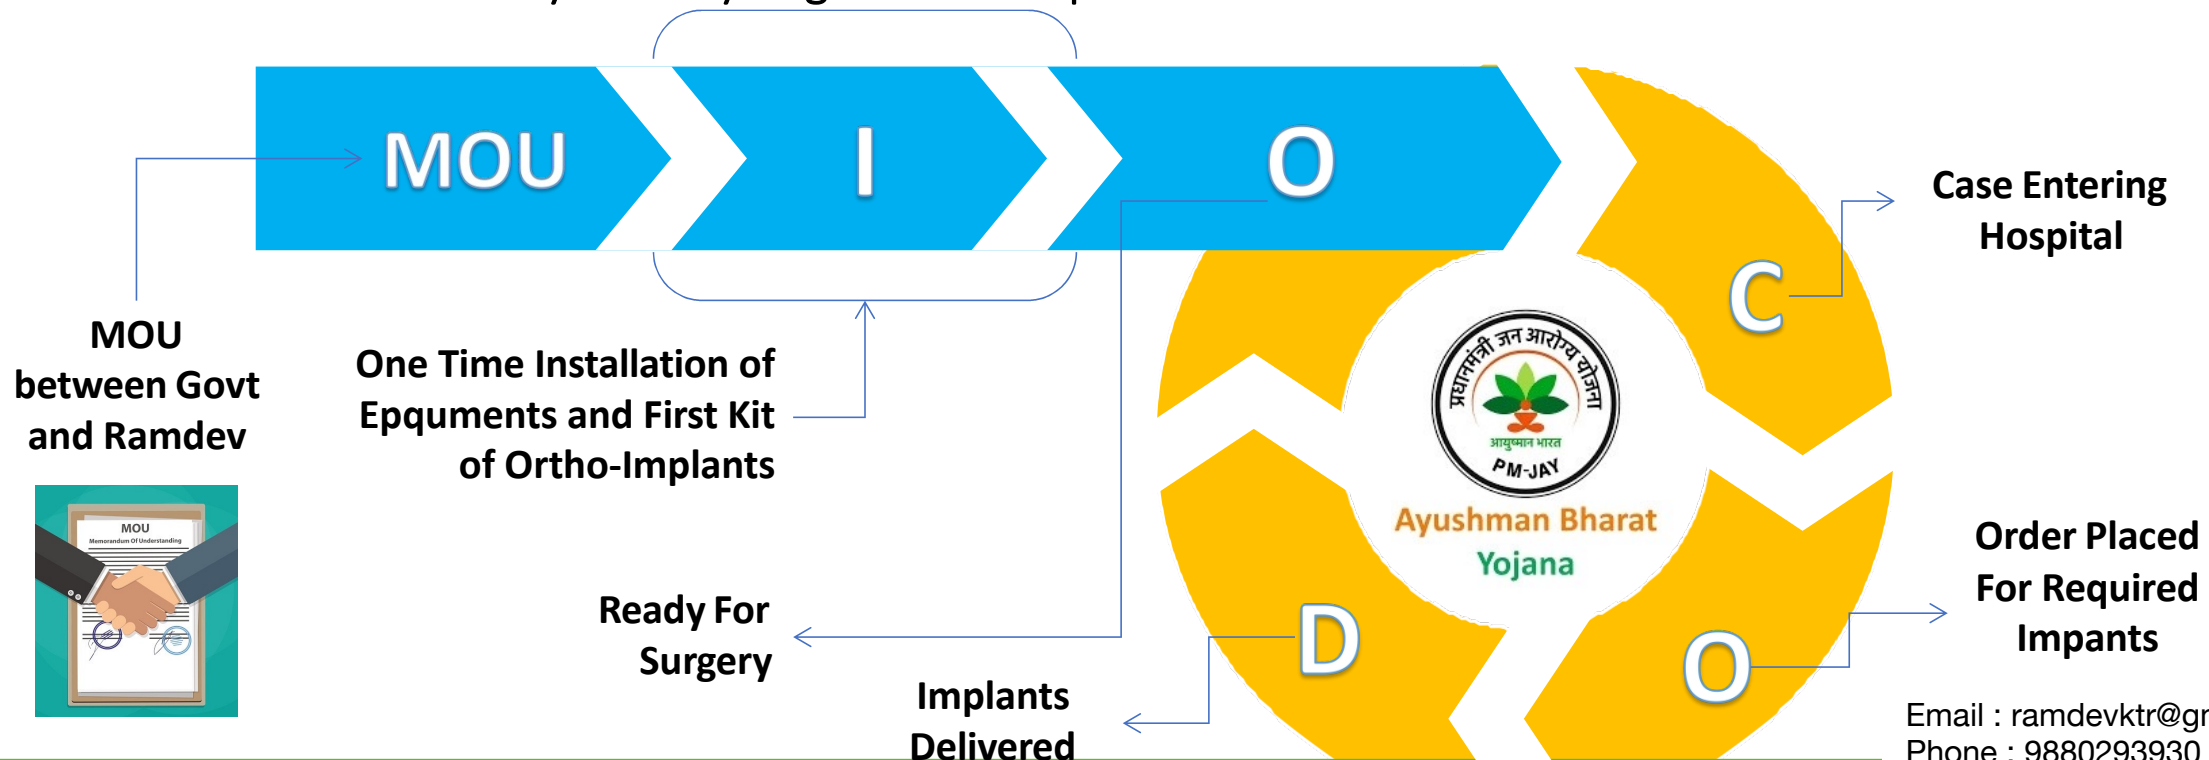

Continuous services
